- java (0.5 years)
- PYTHON (0.5 years)
- GIT (0.5 years)

Additional information

Languages

Hindi (fluent), English (conversational), Bhojpuri (fluent), Nagpuri (fluent)

Interests

My greatest interest is in team sports. While I enjoy most team sports my passion is baseball. I havent played in a while as I have been busy job hunting since moving cities. However before moving I used to play on a regular basis with a local team. I played in every game possible which was every Saturday during the season and turned up to every practice without missing a single one.

I love watching documentaries we watch documentaries when you have time

Volunteering

WEB3

January 2023 - Present
